*Fragile Socket—for light operation only.

Special Sockets

Extended Sockets are available in all sizes *except* those shaded in the table. To order an Extended Socket add one of the following suffixes to the Socket Number. Also add, in fraction form, the length of extension desired, in 1/16" increments.

Suffix	Description
ER	Extended Right Hand
EL	Extended Left Hand
EB	Extended Both Sides

Example: To order Socket 121614, right hand extended 1/4", order: 121614ER4

Also available on special order are magnetic, blind hex, threaded, grooved, "A" construction, single square and double square sockets.

Use the following suffixes for ordering:

Suffix	Description
MS	Magnetic Solid (indicate hex depth)
MH	Magnetic Hollow (indicate hex depth and thru hole)
BH	Blind hex (hex part way thru)
T	Threaded (indicate thread size)
G	Grooved
SS	Single Square
DS	Double Square
